

# Keeping You Safe on the Road

OneBeacon's Occupational Accident policy gives you financial protection for accidental death and dismemberment, accident disability and accident medical expenses for on-the-job injuries. You also have access to invaluable services.

## How to Report an Occupational Accident Claim

**Call 866.568.2233**

If you become injured, report your claim anytime—24 hours a day, seven days a week—by calling 1.866.568.2233. If you would like to use a physician or hospital that participates in the network that OneBeacon utilizes, please call during normal business hours (9 a.m. to 5 p.m. ET, Monday through Friday). Using a participating facility provides certain advantages, which your claims representative can explain to you.

## Discount Prescription Drug Program

The program helps make prescription drugs more affordable by giving you access to discounts on generic and brand drugs at more than 56,000 pharmacies. Even if you have a health plan that offers discounts on prescription drugs, this plan might still provide you benefits.

1. Use the pharmacy locator and pricing tool at [allrxcard.com/trkrx](http://allrxcard.com/trkrx) to find a participating pharmacy near you and get pricing information on your medications.
2. Present your prescription and discount prescription card to the pharmacist.
3. You immediately receive the discounted price and save.
