PRESS RELEASE

EARL L HENDERSON TRUCKING HONORS VETERANS

Caseyville, IL – November 5, 2020 – Earl L Henderson Trucking honors our Driver and Staff Veterans, as well as all American Veterans! We honor our Veteran Drivers with special decals displayed on each side of their truck. Any Veteran who does not yet have decals applied to their trucks, check with your Fleet Manager or the Maintenance Department. We have both an American flag decal showing our support, and a special decal for your military branch.

Although we honor and appreciate all Veterans every day of the year, on Veteran's Day this year (Wednesday November 11th), we would like to send out our special thanks with as many names and pictures we can!

In addition, we will be conducting special prize drawings exclusive to our Veterans. Watch for details on Facebook and the Henderson Trucking YouTube channel.

Many businesses are honoring Veterans, Reservists, and active-duty Military Personnel. The following are just some of the restaurants offering specials or free food and drinks: 54th Street Grill, 7-Eleven, Applebee's, Bandana's Bar-B-Q, Bob Evans, Casey's General Stores, Chili's Grill, Country Kitchen Restaurants, Cracker Barrel, Golden Corral, IHOP, Pilot Flying J, Red Robin, Shoney's and Texas Roadhouse.
